II – Reading Comprehension (12 marks)

Read the following passage and answer the questions bellow:

One day a man was going to the market with his son and his donkey. They met a couple on the way. "Why walk when you have a donkey to ride?" called out the husband, "seat the boy on the donkey."

"I would like that," said the boy, "help me up father." The father did that happily. Soon they met another couple. "Shame on you!" cried the woman, "let your father ride, won't he be tired?" So, the boy got down and the father rode the donkey.

Again they went on. "Poor boy", said the next person they met, "why should the lazy father ride while his son is walking?" So, the boy got onto the donkey too.

As they went on, they met some travellers. "They are unkind!" They are up to kill the poor donkey" cried one of the travellers.
