VI- Reading Comprehension (12marks)

READ THE FOLLOWING LETTER AND then ANSWER THE QUESTIONS :

Dear mum,

I've just been staying with my friends, Fahad and Khalid in France. We went to Paris and we got the chance to go up in a hot air balloon. We climbed into the basket impatiently and waited for the balloon to take off.

As soon as we were in the air, Fahad started taking photographs, but he soon stopped to look at the breathtaking view. I wanted to take photographs too but I forgot my camera in my hotel room. We floated over the Eiffel Tower. What a feeling! The view of the boats and tourists below us was wonderful to watch.

We left very early in the morning. There was a gentle wind at first, but after an hour the sun started to shine. At the end of our trip we stopped looking at the view and began looking for a safe place to land. People shouted and waved to us on the way down and stopped to watch us landing. Although I found it a wonderful experience, I was happy to be on the ground again. It was a day to remember.

Love,
Ali
